

## **PRESIDENT'S MESSAGE**

Once again the Stormont County Fair is just around the corner-the 143rd edition, and I welcome everyone old or young to come and enjoy the fair. We strive to have something for everyone.

This year our fair's theme Proud Heritage- Promising Future is most appropriate. Our heritage is certainly a proud one, and we look forward to a promising future for our fair.

On behalf of the directors, the executive and all the volunteers of the Stormont Agricultural Society, I would like to thank the many generous sponsors and private contributors for all their support. Your generosity is much appreciated.

We would also like to thank all the participants who take part in the fair. Whether it be the demolition derby, the baby contest, domestic manufacturing or cattle and horse shows; you make the fair what it is.

I would like to thank all the volunteers for all their dedication and hard work over the past year and look forward to working once again with you over the next few months.

So once again, I would like to invite you, one and all to our fair on Labour Day weekend!

Jim Winters
