

PRESIDENT'S MESSAGE

It is with great pride that I welcome all to the 142nd edition of the Stormont County Fair. It is always a pleasure to work with the many directors, committee members and volunteers that make this fall fair such a success. These are the people that make it all possible.

I would also like to thank the many generous contributions of time and money from the communities that help to make our fair great.

As in the past we strive to improve our fair, and to give not only the traditional fun and entertainment, we also try to provide something new and something for everyone.

On behalf of the fair board, I would like to take this opportunity to thank the many exhibitors in all categories for taking the time and making the effort to provide us with the traditional values of the fair.

With the support of everyone who works hard to make this all possible, I would like to invite you to our fair on Labour Day weekend!

Jim Winters

President– Stormont Agricultural Society
