# ***EVERYONE PAYS GATE ADMISSION***

**Prizes- 1<sup>st</sup> \$25, 2<sup>nd</sup> \$15, 3<sup>rd</sup> 10 for each class**

### **Rules and Regulations**

1. No consumption of alcoholic beverages or illegal drugs by the drivers will be tolerated before and during the pulls.
2. Proof of age. Must be 14 years or older. 14-18 year old must have parents sign consent on entry form.
2. No registration will be accepted after the first pull of the class has started.
3. All tractor drivers must show safe manners of control of their tractors during pulling and in pit area.
4. The puller must obey the official flagman or will be disqualified. The track judge and officials decisions are final. Flagman will have a green and red flag.
5. There will be a driver's meeting before each pull.
6. One operator per tractor per class.
7. The puller may stop before the front of the sled has reached the 35ft mark and ask for a re-pull only once, then the driver has 2 minutes to make adjustments once sled is spotted. Pull off excluded.
8. Tractors that touch or cross over the trackside lines during a pull will be disqualified. Maximum track length will be 300ft. Only the test puller on his/her test pull will be exempt of an out of bounds disqualification.
9. Once sled weight is correct, the test puller has the right to take his first pull or to come back in third or last place. If pull sled weight is incorrect, the test puller must re-pull immediately or will loose his test pull then the second puller of the class will become the test puller.
10. Drivers must wear a helmet for all classes and only helmets approved for snowmobiles or motorcycles will be permitted . Fire suits are encourage but not a must at this time.
11. If mower is attached - no extra weight. If no mower - then wheel weights are permitted. Modified

tractors are allowed up 11–cc 2 cycle or 4 cycle.

12. Any loss of weights during pull is instant disqualification.

13. All tractors must have a 2 ½ lb fire extinguisher fastened in an accessible and visible area on the tractor.

14. All tractors must be 2 wheel drive, driven by rear wheels. No dual wheels, chains, studs or paddle tires will be accepted. No Chevron cut tires will be allowed (Cepek, Pitt Bull, etc.) Agricultural type tires or turf tires. Example: Carlisle Super Lug, True Power or Firestone.

15. Stock tractors can use their stock hitch or modified to 13 inches. If a 12 inch hitch is used then wheelie bars must be added as well. Any hitch must have a 2 inch hole to allow entry of a hook.

16. If weights are needed, then they are to be secured on a rack. All tractors must have a tractor seat with a backrest minimum of 3" high. All drivers must be seated with legs in forward position.

17. The exhaust pipes must not be pointed at any spectators. They are to be pointed up or down. (Modified Tractors).

18. Modified Tractors must be equipped with a dead man throttle. Kill switch shall be located at the rear of the tractor in a position that will allow for easy attachment or detachment without interference. The switch should be in the center of the tractor or within 6' either side of center.

19. All tractors must have adequate braking system.

20. Tractors will operate on gasoline and must be naturally aspirated. Electronic fuel injection accepted. No alcohol, turbo's or blowers.

21. The rear tire treads must be covered by a minimum of 3' by a fender for the driver safety.

22. All modified tractors must be equipped with a adequate protection shield over the front of the engine crankcase with a minimum of 1/8 thick metal. All shafts, drives, sprockets ,belts and chains must be properly shielded for safety.

23. In case of a test puller the driver must advise the sled operator or flag person whether he will keep the pull or return in a later position before leaving the front of the sled after his/her pull.

24. All tractors are limited to 1 class step up per event.
